For your health

Abbott's medical, dental and vision benefits provide care for you and your family, which includes your spouse or domestic partner and children up to age 26.

MEDICAL PLANS

Abbott offers two national medical plans.* They mainly differ in how and when you pay for coverage—either at the time of service or through regular paycheck contributions.

Both plans cover the same services, network of providers and network discounts, and both include free preventive care.

HEALTH INVESTMENT PLAN (HIP) PPO

The HIP PPO has low paycheck contributions and a higher deductible. Features include access to more than 1,700 free preventive medications, and a Health Savings Account (HSA) that lets you contribute pre-tax dollars to cover healthcare expenses. Abbott also contributes to your HSA.

TRADITIONAL PPO

With the Traditional PPO, you have higher paycheck contributions, which you'll pay regardless of the amount of medical services you use.

Both plans are available with the UnitedHealthcare (UHC) or BlueCross BlueShield (BCBS) network.

* Regional plans are available in California and Hawaii. Speak to your recruiter for details.

“My Care Coordinator helped me work through some questions/issues with two different healthcare claims, reached out to the providers for me and followed up with a status update. I’m a very happy customer.”

- ABBOTT EMPLOYEE

DENTAL

Abbott offers comprehensive coverage for dental expenses including exams, teeth cleaning, fillings, orthodontia and restorative services.

VISION

Abbott vision coverage includes exams, prescription lenses, frames, and contact lenses, plus discounts on certain services.

SPENDING ACCOUNTS

Flexible spending accounts (FSAs) let you make tax-free contributions to cover out-of-pocket expenses for healthcare or dependent care. You can use funds in the healthcare FSA for copays and coinsurance, prescription drugs, and glasses, contact lenses and LASIK surgery. Funds in the dependent daycare FSA can be used for child and elder care expenses.

CARE COORDINATORS

Care Coordinators are available to participants enrolled in one of Abbott's national medical plans. The Care Coordinators are an expert team of nurses and benefit specialists who can assist with billing and benefit questions, finding network providers and reducing your out-of-pocket costs. Think of them as your health care “concierge desk,” always ready to get you the help you need.

Which medical plan is right for you?

It depends on your needs. Over half of employees are in the HIP PPO, and we've found that the vast majority of employees in the Traditional PPO actually would save money if enrolled in the HIP PPO.

For your retirement & financial planning

Wherever you are on your career path, Abbott's financial and retirement programs help you build a strong financial future for you and your family.

RETIREMENT SAVINGS

The Abbott Stock Retirement Plan (SRP), our 401(k) plan, gives you a great way to save and invest – with company matching contributions from Abbott. When you contribute two percent, Abbott contributes an additional five percent.

PLAN FEATURES:

- Immediate eligibility
- No participant account maintenance fees and very low investment fund fees
- Multiple investment choices including Abbott common stock and target retirement funds
- You can elect pre-tax, Roth or after-tax 401(k) contributions
- Accepts rollovers of pre-tax and Roth distributions from other qualified plans

For eligible employees in select divisions, the Annuity Retirement Plan (ARP) may also be available.* This benefit provides monthly continuing income for your lifetime. You earn a vested benefit after five years of service.

FREEDOM 2 SAVE

Freedom 2 Save helps employees burdened by student debt save for retirement. Employees who apply at least two percent of their annual pay toward reducing their student debt will receive an annual five percent company match in the SRP.

FREEU

FreeU is an educational benefit for U.S. Abbott employees that offers an affordable and self-paced path toward attaining a Bachelor's degree, whatever the individual's academic starting point.

TUITION ASSISTANCE

The tuition assistance program reimburses up to \$7,000 per year for undergraduate courses and up to \$10,000 per year for graduate courses approved by your manager.

HEALTH SAVINGS ACCOUNT (HSA)

If you're in the HIP PPO, you can use an HSA to pay for your healthcare expenses. An HSA offers several tax advantages to help you lower your medical costs, and Abbott makes annual account contributions even if you're not saving on your own. Best of all, your account stays with you even if you leave Abbott.

RETIREE HEALTH INSURANCE

Eligible employees who meet certain age and service requirements at retirement have access to retiree medical and life insurance. Retiree dental coverage is also available through MetLife.

* For more information, access the Abbott Benefits Center via AbbottBenefits.com or speak to your recruiter.

“Freedom 2 Save was one of the main factors in my decision to join Abbott. It told me that Abbott truly cares about investing in its employees and goes the extra mile to support those with student loans.”

-ABBOTT EMPLOYEE

For your financial protection

These benefits can help provide financial security in times of need.

LIFE INSURANCE

Abbott life insurance provides financial security to your beneficiaries in case of your death. Abbott provides coverage of one times your annual salary at no cost. You can purchase additional life insurance coverage for you, your spouse or domestic partner and eligible dependent children.

SHORT-TERM MEDICAL LEAVE

If you are unable to work due to illness, you may be eligible for medical leave pay for up to 26 weeks, including 100 percent pay for the first seven weeks. Benefits are available following a seven consecutive calendar day waiting period.

LONG-TERM DISABILITY

If you are on an approved medical leave for more than 26 weeks, you may receive up to 60% of your base pay.

AD&D INSURANCE

Accidental death and dismemberment (AD&D) insurance pays benefits for loss of life or limb due to an accident. Abbott provides \$10,000 at no cost; you can also purchase supplemental coverage for yourself and your spouse or domestic partner.

LONG-TERM CARE INSURANCE

Optional long-term care insurance helps cover out-of-pocket expenses should you or a family member require long-term care in the future. Eligible family members include your spouse or domestic partner and extended family, including grandparents and in-laws.

SICK PAY

This benefit helps you take care of yourself and eligible family members when sick. It includes 60 hours of 100 percent sick pay per year for non-exempt hourly employees and unlimited sick pay for exempt employees for absences up to seven consecutive calendar days. Exempt employees may also use up to 60 hours of sick pay per year to care for eligible family members.

BUSINESS TRAVEL ACCIDENT INSURANCE

All Abbott employees are automatically covered by business travel accident insurance at no cost while traveling on Abbott business anywhere in the world.

“Abbott’s short-term medical leave policy allowed me to focus on my health while recovering from a major accident. After I was able to return to work, I felt mentally and emotionally stronger and ready to get back to work.”

-ABBOTT EMPLOYEE

For wellness & personal balance

Abbott is committed to helping you be well and achieve the right balance between your work life and home life. We offer several programs to assist you.

LIVELIFEWELL: LiveLifeWell provides well-being resources and services for work-life balance. Through Castlight you and your spouse/domestic partner can access resources to eat healthier, exercise more, sleep better, and more, while you earn rewards throughout the year—including gift cards and other giveaways.

WORK/LIFE SERVICES: Services include extensive, no-cost information and support related to parenting, caregiving, schooling and education, basic financial issues, basic financial issues and legal and financial consultations.

CHILDCARE: Abbott offers 10 percent discounts, priority access and backup care at some of the nation's largest child care providers.

MENTAL HEALTH SUPPORT: Spring Health is Abbott's mental health and work/life benefit for you and your family. Its personalized support includes six free therapy sessions per year, digital tools and exercises, medication management and access to a diverse, multilingual network of providers.

SPRING HEALTH: Spring Health is Abbott's mental health benefit for you and your family. Its personalized support includes six free therapy sessions per year for each member of your family, digital tools and exercises, medication management and access to a diverse, multilingual network of providers.

CAREPARTNER: CarePartner is a free service to help you access and navigate care for parents and other loved ones. It can help you find caregivers, get help with Medicare, address family conflicts and assist with pharmacy, claims and billing issues.

FAMILY-BUILDING ASSISTANCE: Abbott reimburses up to \$20,000 for eligible expenses related to the adoption of a child, as well as \$10,000 reimbursement for eligible surrogacy services.

SPECIAL NEEDS EDUCATION SUPPORT: Torchlight provides free support to parents with children who have exceptional needs, such as learning disabilities, ADHD and autism.

COMMUTER BENEFIT PROGRAM: This benefit lets you use pretax money for public transit and other eligible commuting costs, lowering your expenses.

TUTORME: TutorMe is a free Abbott benefit that provides virtual, on demand tutoring for your children or yourself. Abbott employees are eligible for three free hours of tutoring per week, plus a 25% discount on additional time.

ADDITIONAL FAMILY SUPPORTS: Additional Family Supports offers free access to a database of family care services, discounts on tutoring and virtual learning resources; and preferred enrollment and discounts at thousands of child care centers nationwide.

“I’ve lost weight, my cholesterol has lowered, and I feel better. I’m really thankful that Abbott put together some really great ways to integrate apps that help everybody.”
