ABBOTT

Dental plans | 2027

Abbott offers two dental plan options through Delta Dental of Illinois. Both plans provide free preventive care and help pay for services such as fillings, root canals, crowns, bridges and implants. The Dental Enhanced Plan also includes orthodontia coverage for eligible dependents and adults. Both plans include additional teeth cleanings for members with certain conditions including heart disease, diabetes and pregnancy.

Contact Delta Dental IL at **800-323-1743** or visit **deltadentalil.com**

*Delta Dental PPO dentists accept payment based on the lesser of the submitted fee or the PPO fee schedule, which is established at a level that typically delivers a 15 – 40% discount off of average billed charges nationally.

**Delta Dental Premier dentists accept payment based on the lesser of the submitted fee or Delta Dental's maximum plan allowance (MPA), which is established at a level that typically delivers a 5 – 15% discount off of average billed charges nationally.

***Non-network (non-Delta Dental PPO/non-Delta Dental Premier) dentists are reimbursed at the 90th MDR.

Delta Dental PPO and Premier dentists can't balance bill the enrollee for the difference between Delta Dental's allowed fee and the dentist's submitted charge.

ABBOTT

Vision plan | 2027

Abbott's vision plan is available through VSP. Your vision coverage includes routine exams and can help cover the cost of prescription lenses, frames and/or contact lenses. Members with diabetes also qualify for free retinal screenings. Additionally, preventive eye exams are covered under all medical plans.
