Directions

You must create a User Name and Password. The User Name must not contain any spaces and be at least 6 characters long. If the User Name you have chosen is already in use, you will be instructed to choose a different one.

The Password must be at least 8 characters and contain no spaces. A combination of numbers and letters is required for your Password. In addition, please select a security phrase and complete the answer to this question in the space provided. This will be used if you forget your password and need assistance in recovering it.

Note: Your User Name, Password, and Answer to the Security Phrase are case sensitive. You must enter your information in the correct case when accessing the site in the future.

In order to help protect your data, we are adding security questions to your account. Please select your questions and provide answers. These will be used as extra validation, as well as if you should need to reset or change your password in the future. If you have any issues, please contact your HR administrator.
